

Situation Report #02

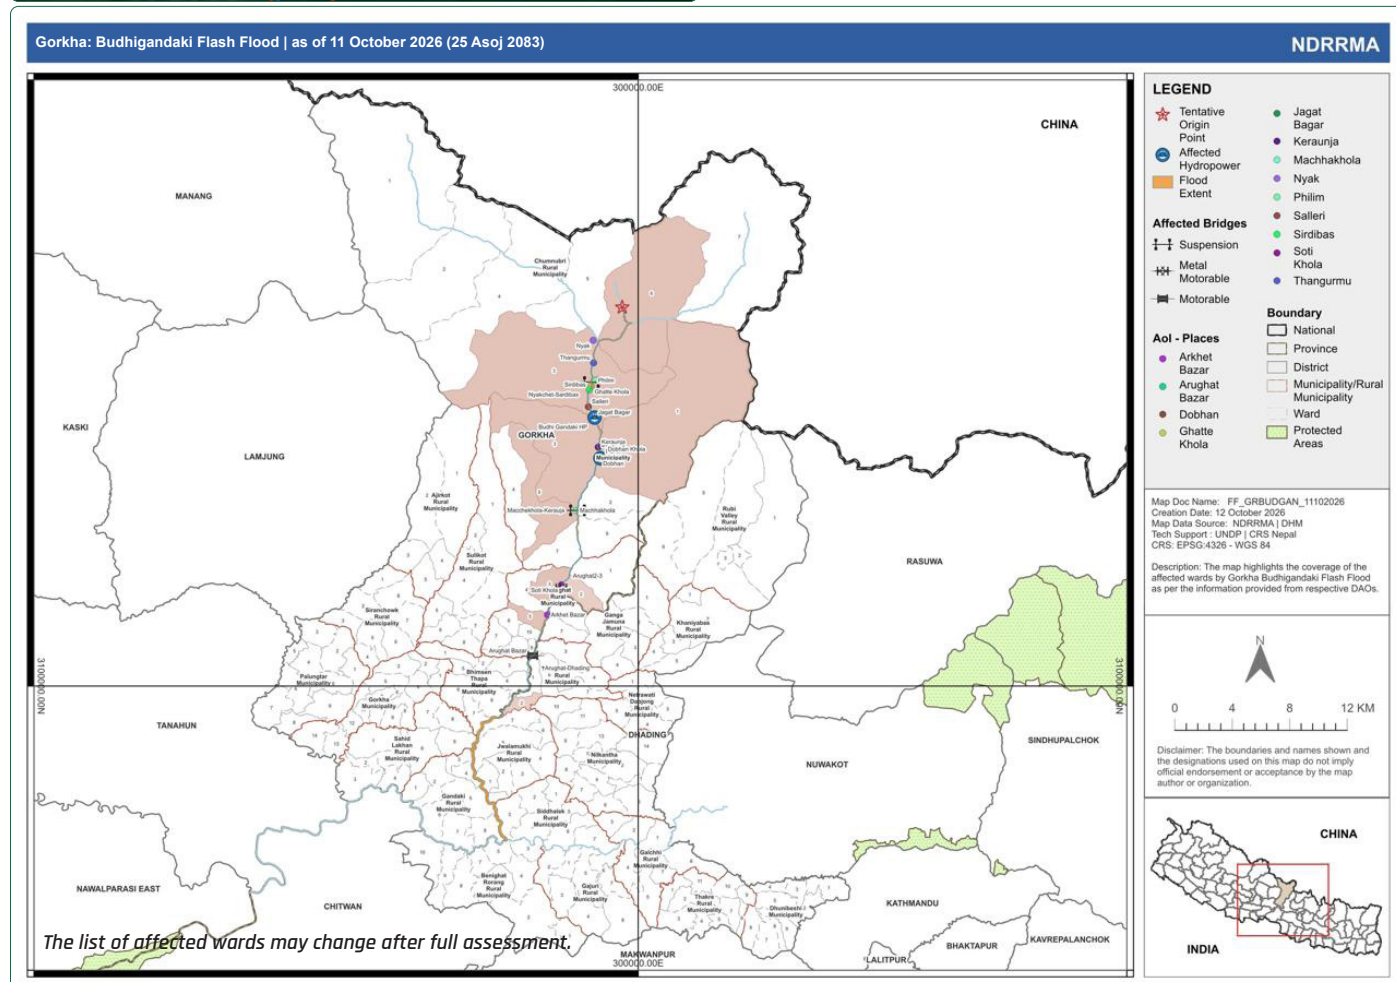

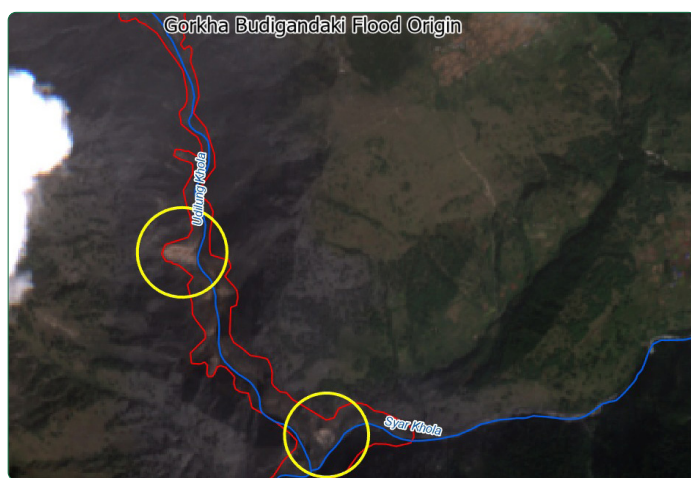

Date: 12 October 2026 (26 Asoj 2083), up to 10:00 pm

NDRRMA prepared this report using information received from the District Administration Office and the District and National Emergency Operation Centres. It summarises search, rescue and relief operations following the Budhigandaki flood in Gorkha.

SITUATION OVERVIEW

At around 5:30 am on 11 October 2026 (25 Asoj 2083), a large landslide occurred between Lokpa and Chumling in Chumnuhari Rural Municipality-6, Gorkha district, blocking the Budhigandaki River flowing through the same location. The resulting debris-laden flood caused physical damage. So far, 5 people (2 women and 3 men) from Ungilung, Chumchet, Chumnuhari Rural Municipality-6 remain out of contact. To date, a total of 302 people have been rescued (289 by helicopter and 13 by ground), including 19 foreign nationals. Nepal Army helicopters have flown 156 sorties for search, rescue and relief management, with four Nepal Army helicopters in continuous use.

SEARCH AND RESCUE OPERATIONS

- Forces deployed in search and rescue to date: 202 from the Nepal Army, 143 from Nepal Police and 189 from the Armed Police Force, making a total of 534 security personnel operating in the field.
- A total of 4 Nepal Army aircraft are in operation: BELL (NA-065, NA-061), AGUSTA (NA-058) and MI-17 (NA-038).
